

**The Bulletin Ministry** publishes Parish information about upcoming events, ministry information and religious content that enhance the weekly readings. The bulletin is given out at weekly Mass and to our homebound Parishioners in nursing or retirement homes unable to attend Mass. The bulletin Ads from our sponsors help defray the printing expenses and support other Parish functions. Bulletins are also published on our website and are in color at [www.stmparadise.org/bulletin](http://www.stmparadise.org/bulletin) . There is a special link at the bottom of our bulletin page that provides a full archive of every bulletin is available beginning with Jan.1, 2010.
