

Mothers & Others Ministry is a service orientated ministry where children are welcomed and are actively involved in service projects alongside their parents or caregivers. Mothers & Others is the governing body of the table of plenty ministry and oversees all of it's activities. Mothers & Others also collects and distributes back packs & school supplies at the beginning of each school year. Mothers & Others organizes the angel tree and distributes presents to families receiving Christmas food baskets. They also distribute Thanksgiving food baskets to over 100 needy families. Mothers & Others also welcomes the arrival of new babies into our parish by placing a rose on the piano for all to see. For more information please contact Norma Degmetich at 873-4913.
