"STM prays at Planned Parenthood during 40 Days for Life"

The Respect Life Ministry is a liaison between the Diocese of Sacramento and the Parish of St. Thomas More. Our goal is to inform and involve all members and ministries of the parish in Respect Life activities. Some of the activities we have been involved in are the Walk for Life West Coast, 40 Days for Life prayer at the Chico Planned Parenthood and 40-Day Prayer Calendar, Care Net Baby Bottle fund drive, Care Net Human Race fund drive and the Care Net fall banquet. Kathy has also worked with the Ladies' Guild to promote the Rosary of the Unborn, baby showers to benefit Care Net and spiritual adoption of an unborn child with prayer for 9 months for the child and mother. If you are interested in participating in any of these activities, please call Kathy & Greg DeCristofaro at 873-4132
